**REQUEST FOR REMAND**

On August 31, 2020<sup>1</sup> the undersigned Acting Regional Director of Region 1 issued a Decision and Direction of Election directing that a mail ballot be conducted in the above-captioned matter beginning on September 16. On September 4, the Employer filed with the Board a Request for Review of my decision to order a mail ballot and an Emergency Motion to Stay the Election. On September 16, the Board granted the Employer's Emergency Motion and Request for Review.

Following the grant of review, the Petitioner advised the Region it no longer opposes a manual election and believes one could be conducted safely pursuant to the election arrangements proposed by the Employer. In light of the arguments raised in the Employer's request for review and the Petitioner's willingness to proceed to a manual election, I request that the Board remand this matter for the purpose of allowing for reconsideration of my decision to conduct this election by mail. <sup>2</sup>

Dated at Buffalo, New York, this 23<sup>rd</sup> day of September 2020.

Paul J. Murphy  
Acting Regional Director, Region 1

<sup>2</sup> The parties have been advised of my intention to seek remand of this matter. The Petitioner does not object to the remand request. Although the Region has tried, we have not been able to contact the Employer to obtain its position.
